Re: Request for Extension of Time for Review of Reclamation Surety Estimate for Nielson Sandstone Quarry, Ash Grove Cement Company, M/023/012, Juab County, Utah

Dear Mr. Crutchfield:

Thank you for your letter explaining your need to delay the submittal of the information requested by the Division for surety escalation purposes. Your letter requested an additional 60 days to complete a new mining plan for this area. The Division grants your request and we look forward to receiving the plan for our review on or before January 20, 2003.

Please contact me at (801) 538-5286 or Doug Jensen at (801) 538-5382 if you have any other concerns regarding this extended timeframe.

Sincerely,

Doug Jensen
Senior Reclamation Specialist
